The Insurance Contract

This policy is a legal contract of insurance between **You** and **Us**. It is not **Our** intention that the Contracts (Rights of Third Parties) Act 1999 gives anyone else any rights under this policy or the right to enforce any term of this contract but this does not affect any right or remedy of a third party which exists or is available apart from that Act.

The following are elements for the contract of insurance between **You** and **Us** based on information **You** have provided to **Us**. Please read them carefully and if **You** require any amendments please return them to **Your** broker for correction. Keep the policy safe in case **You** need to refer to it.

- **Your** policy,
- The **Schedule**,
- Endorsements.

It is important that **You**:

- (a) tell us about any material circumstances which affect **Your** insurance and which have occurred either since the policy started or since the last renewal date
- (b) check that the Sections **You** have requested are included in the **Schedule**;
- (c) check that the information **You** have given **Us** is accurate;
- (d) keep a written record (including copies of letters) of any information **You** give **Us** or **Your** insurance adviser when **You** renew this policy;
- (e) comply with **Your** duties under each Section and the insurance as a whole.

A circumstance is material if it would influence **Our** judgement in determining whether to provide the cover and, if so, on what terms. If **You** are not sure whether a circumstance is material ask **Your** insurance adviser. If **You** fail to tell **Us** it could affect the extent of cover provided under the policy.

The Agreement

In consideration of the payment of the premium, **We** will compensate **You** by payment, or at **Our** option, by reinstatement or repair in respect of **Damage**, accident, or injury occurring in connection with the **Business** during the **Period of Insurance**, subject to the terms, Conditions and Exclusions contained in or endorsed on the policy.

We may:

- (a) treat this policy as if it had never existed and refuse to pay all claims and return the premium paid. **We** will only do this if **We** provided **You** with insurance cover which **We** would not otherwise have offered as long as the misrepresentation or omission was not made deliberately or recklessly,

Use of Language

Unless otherwise agreed, the contractual terms and conditions and other information relating to this contract will be in English.

Information about Words with Special Meanings

Average

Some items insured are subject to **Average**, this means that if at the time of the **Damage** the sum insured is less than the reinstatement value of the **Property Insured** the amount **We** will pay will be reduced in proportion to the amount of underinsurance.

Conditions Precedent

A Condition which must be complied with before **We** are to be liable for a claim.

You may find a **Condition Precedent** applies only to a particular policy Section in which case it will be shown under that Section.

Breach of Term

We agree that where there has been a breach of any term (express or implied) which would otherwise result in **Us** automatically being discharged from any liability, then such a breach shall result in any liability **We** might have under this policy being suspended. Such a suspension will apply only from the date and time at which the breach occurred and up until the date and time at which the breach is remedied. This means that **We** will have no liability in respect of any loss occurring, or attributable to something happening, during the period of suspension.

Terms not relevant to the actual loss

Where there has been non-compliance with any term (express or implied) of this policy, other than a term that defines the risk as a whole, and compliance with such term would tend to reduce the risk of:

- loss of a particular kind, and/or
- loss at a particular location, and/or
- loss at a particular time,

then **We** agree that **We** may not rely on the non-compliance to exclude, limit or discharge **Our** liability under this policy if **You** show that non-compliance with the term could not have increased the risk of the loss which actually occurred in the circumstances in which it occurred.

How We deal with Your claim

Basis of Settlement

Some Sections of the policy contain the Basis of Settlement that will apply to that particular Section. These will tell **You** how **We** settle any claim.

Consent

No admission, offer, promise, payment or indemnity shall be made or given by **You** or anyone on **Your** behalf without **Our** written consent. **You** shall give such assistance in dealing with claims and the conduct of any legal proceedings arising from the claim as **We** or **Our** chosen legal advisers and consultants may reasonably require.

Other Insurance

Sometimes what is covered under one insurance policy may also be covered under another insurance policy. For example, the cover or maybe some of the cover that is insured under this policy could also be insured under another policy that **You** have.

For claims made under Section H - Employers Liability and Section I - Public and Products Liability **We** will only pay the excess beyond the amount payable under **Your** other insurance policy.

For claims made under all other Sections insured of this policy **We** will either at **Our** option pay the full claim and claim half of this back from **Your** other insurance policy or pay **Our** rateable share of the claim.

Arbitration

If **We** accept liability but **You** disagree with the amount **We** offer to pay, the claim will be referred to an arbitrator who will be jointly appointed in accordance with statutory provisions. This avoids having to use the courts to settle the dispute. Going to arbitration does not affect **Your** statutory rights.

An award made by the arbitrator will be a **Condition Precedent** to a right of legal action against **Us**.

Subrogation

We shall be entitled to pursue and, if necessary, instigate legal proceedings in **Your** name for **Our** benefit any claim for indemnity or **Damage** or otherwise against a third party and shall have full discretion in the conduct of any such action and **You** shall give to **Us** all such information and assistance as **We** may reasonably require.
