PLATINUM HOME INSURANCE

your policy wording.

welcome.

Thank you for arranging your insurance with us.

This policy wording describes your contract of insurance. Please read it carefully along with your Policy Schedule which shows the insured property, your level of cover and your excess details

You will find these documents in your welcome/renewal pack, or with confirmation following a change to your policy. Please check these documents as the information must be correct.

We have tried to make this document easy to read. However, we still had to use some words that have a special meaning these are listed and explained in the 'definitions' section.

Your contract of insurance has been arranged for you by your Insurance intermediary who are responsible for arranging and administering your insurance policy. Full details are set out in their 'Terms of Business' and covers their services, fees and charges.

The policy is administered by Bspoke Private Clients on behalf of HDI Global Specialty SE and Am Trust Europe Limited. The authorised insurers have agreed to cover you, subject to the terms and conditions contained in this document, against any liability, loss, or damage that arises during a period of insurance. The authorised insurers' details appear in the About Your Policy section.

To make things easier, you only need to contact your Insurance intermediary to arrange everything for you with the authorised insurers on your behalf.

Tel: 01204 860427

Email: tpasolutions@questgates.co.uk

To help **us** deal with **your** claim quickly **we** may require **you** to provide **us** with assistance and evidence that **we** require concerning the loss or damage. Ideally, as part of the initial notification, **you** will provide:

- **your** name, address, and **your home** and mobile telephone numbers
- Policy number
- the date of the incident or loss
- any crime reference numbers or police details where applicable
- the cause of the loss or damage
- details of the loss or damage together with claim value if known

- arrange for the damage to be inspected by one of **our** claims advisors, an independent loss adjuster or other expert – their aim is to help **us** agree a fair settlement with **you**; or

These are the claims terms and conditions which **you** and **your household** will need to keep to as **your** part of the contract. If **you** do not, a claim may be rejected, or payment could be reduced. In some circumstances **your** policy might be invalid.

If anything happens which might lead to a claim, what **you** must do depends on what has happened. The sooner **you** tell **us** the better. In some cases, there are other people **you** must contact first:

- If **you** or **your household** are the victim of malicious damage, vandalism, theft or attempted theft or accidental loss **you** must tell the Police immediately, within 24 hours of discovery of the loss and obtain the Police reference number, tell **us** as soon as possible.

- **You** must not admit liability, or offer or agree to settle any claim without **our** written permission.
- **You** must take care to limit any loss, damage or liability.
- **You** must retain ownership of **your** property at all times. **We** will not take ownership of, or accept liability for, any of **your** property unless **we** agree with **you** in writing in advance to do so.

We have the right, if **we** choose, in **your** name but at **our** expenses to:

- take over the defence or settlement of any claim;
- start legal action to get compensation from anyone else;
- start legal action to get back from anyone else any payments that have already been made.

You must provide **us** with any information and assistance as **we** may require about any claim. **You** must help **us** to take legal action against anyone or help defend any legal action if **we** ask **you** to.

SECTION 4 | HOME EMERGENCY

The cover provided by this section is included for **your home** as shown in **your schedule**. **We** will respond with expert help if **you** have an emergency covered by this section and send a **contractor** out who will take action to try and put things right. **We** aren't able to provide **you** with help relating to day-to-day maintenance of **your home** and its contents. Section 4 – Home Emergency is provided by Arc Legal Assistance Limited, and the insurer is AmTrust Europe Limited. Claims under this policy are handled by Arc Legal Assistance Limited.

Important Information

If **we** accept **your** claim, the claims helpline will find a suitable **contractor** to come to **your home** and try to sort out the emergency. However, the **contractor** must be able to get into **your home** to carry out the **Emergency repairs** and not be prevented by bad weather, industrial disputes or lack of public transport.

- The claims helpline service and tradesperson will use their discretion as to when and how the **Emergency repairs** are carried out.
- The **contractor** will send an invoice for the cost of all the work that is covered by the insurance to **us**. **You** will be asked to pay the cost of;
 - Call-out charges if there is no authorised adult available at the **home** at the time **our contractor** arrives to carry out the work.
 - All charges above the claims limits or any work not covered by this insurance – **you** will be told about this before any work is carried out.
 - Any extra costs for things that **you** ask for such as replacement parts or components which are of better quality than the original replacement parts or components.
- There may be times when replacement parts are unavailable, delayed or are no longer available because of circumstances beyond **our** control. If this happens, **we** will make sure that **your home** is safe.
- If **you** call in the services of a **contractor** before **you** make contact with the Claims Helpline Service, any costs incurred by **you** will not be covered by this insurance.
- **Your** claim will not be considered an emergency unless it is reported within 48 hours of discovery.
- **You** must make sure that **your** boiler is serviced regularly in accordance with the manufacturer's instructions. **We** will not pay any claim that is caused by a breakdown of a boiler that has not been serviced during the previous 12 months.

Confirming Policy Details

In some situations, **we** might not be able to assess **your** claim or confirm that **your** policy covers it from the information and details provided by **you**. It might be necessary for **our**

contractor to come to **your home**, assess the situation and provide **us** with a report. If this happens **you** will be asked to leave either credit or debit card details which may be debited if the cost of the call-out and any repairs carried out are not covered by this insurance. This will help **us** respond to **your** emergency without unnecessary delay and provides **you** with the choice to get emergency help at **your home** even if it's not covered by **your** policy.

Household Buildings and Contents

This section of cover is designed to offer 24-hour help if **you** have a **home** emergency only. It compliments, but does not replace the other sections of this policy and there may be times where **your** buildings or contents policy are a better route for cover. If the situation is not an **emergency repair** as defined in the policy wording, please refer to the making a claim section on page 5 of this wording.

How Your Cover Works

This section covers **temporary repairs**, or a permanent repair where this can be done at a similar cost or where no **temporary repair** is available. If **our contractor** decides there is no temporary, permanent or economical repair available, then the emergency will not be covered by this insurance.

Your emergency must meet the definition of an emergency under the section of cover that **you** are claiming under.

Maintenance of Your Home.

You must keep **your home**, including fixtures and fittings, in good working order. This includes boilers which should be maintained/serviced in accordance with the manufacturer's recommendations.

Trace and Access

Sometimes the **contractor** might need to remove and/or damage parts of the **home**, fixtures and fittings in order to locate the source of the emergency. In these circumstances, **we** will not be responsible for any damage caused where this has been deemed as necessary by **our contractor** in order to complete a **temporary repair** (or a permanent repair where this can be done at a similar cost).

Working Together

To enable **us** to give **you** the best possible claims service, **we** will need **your** full co-operation at all times. This may, at **your** own expense, include providing any evidence, documents or receipts that **we**, or **our** representative, ask of **you**.

If **your home** emergency claim is accepted, **we** ask that **you** allow the **contractor** to have access to **your home** within 24 hours of the claim being reported to **us**. If **you** delay and/or prevent the **contractor** from doing this, **we** may not cover **you**.

There might be times where **our contractor** has to order parts that are not available straight away.

Call our helpline, which is open 24/7, 365 days a year.	0333 034 2616
--	---------------

We will ask **you** some questions to check **your** identity and the details of **your** emergency. **We** will talk **you** through **your** cover and let **you** know what **we** will do next.

Parts Availability

The provision of parts is an important factor in providing **Emergency repairs**. If **our** authorised supplier does not carry the spare parts needed on the day of **your** appointment, **we** will do all **we** reasonably can to find and install parts through **our** approved suppliers. **We** may use new parts or parts that have been reconditioned by the manufacturer or approved third parties.

We may not replace parts on a like for like basis but will provide an alternative suitable for containing the emergency. However, there may be times when replacement parts are delayed because of circumstances beyond **our** control. In these cases **we** will not be able to avoid delays in repair; **we** will keep **you** informed throughout **your** claim.

There may also be occasions where parts are no longer available. In these situations **we** will ensure **your home** is safe and if required, **we** will arrange for **you** to receive a quotation for a suitable replacement item at **your** cost.
