the insurance contract.

This policy is a legal contract of insurance between **You** and **Us**. It is not **Our** intention that the Contracts (Rights of Third Parties) Act 1999 gives anyone else any rights under this policy or the right to enforce any term of this contract but this does not affect any right or remedy of a third party which exists or is available apart from that Act.

The following are elements for the contract of insurance between **You** and **Us** based on information **You** have provided to **Us**. Please read them carefully and if **You** require any amendments please return them to **Your** broker for correction. Keep the policy safe in case **You** need to refer to it.

- **Your** policy,
- The **Schedule**,
- Endorsements.

It is important that **You**:

- (a) tell us about any material circumstances which affect **Your** insurance and which have occurred either since the policy started or since the last renewal date
- (b) check that the Sections **You** have requested are included in the **Schedule**;
- (c) check that the information **You** have given **Us** is accurate;
- (d) keep a written record (including copies of letters) of any information **You** give **Us** or **Your** insurance adviser when **You** renew this policy;
- (e) comply with **Your** duties under each Section and the insurance as a whole.

A circumstance is material if it would influence **Our** judgement in determining whether to provide the cover and, if so, on what terms. If **You** are not sure whether a circumstance is material ask **Your** insurance adviser. If **You** fail to tell **Us** it could affect the extent of cover provided under the policy.

The Agreement

In consideration of the payment of the premium, **We** will compensate **You** by payment, or at **Our** option, by reinstatement or repair in respect of **Damage**, accident, or injury occurring in connection with the **Business** during the **Period of Insurance**, subject to the terms, Conditions and Exclusions contained in or endorsed on the policy.

information about words with special meanings.

Average

Some items insured are subject to **Average**, this means that if at the time of the **Damage** the sum insured is less than the reinstatement value of the **Property Insured** the amount **We** will pay will be reduced in proportion to the amount of underinsurance.

Conditions Precedent

A Condition which must be complied with before **We** are to be liable for a claim.

You may find a **Condition Precedent** applies only to a particular policy Section in which case it will be shown under that Section.

Breach of Term

We agree that where there has been a breach of any term (express or implied) which would otherwise result in **Us** automatically being discharged from any liability, then such a breach shall result in any liability **We** might have under this policy being suspended. Such a suspension will apply only from the date and time at which the breach occurred and up until the date and time at which the breach is remedied. This means that **We** will have no liability in respect of any loss occurring, or attributable to something happening, during the period of suspension.

Terms not relevant to the actual loss

Where there has been non-compliance with any term (express or implied) of this policy, other than a term that defines the risk as a whole, and compliance with such term would tend to reduce the risk of:

- loss of a particular kind, and/or
- loss at a particular location, and/or
- loss at a particular time,

then **We** agree that **We** may not rely on the non-compliance to exclude, limit or discharge **Our** liability under this policy if **You** show that non-compliance with the term could not have increased the risk of the loss which actually occurred in the circumstances in which it occurred.

how *We* deal with *Your* claim.

Basis of Settlement

Some Sections of the policy contain the Basis of Settlement that will apply to that particular Section. These will tell **You** how **We** settle any claim.

Consent

No admission, offer, promise, payment or indemnity shall be made or given by **You** or anyone on **Your** behalf without **Our** written consent. **You** shall give such assistance in dealing with claims and the conduct of any legal proceedings arising from the claim as **We** or **Our** chosen legal advisers and consultants may reasonably require.

Defence of claims

We may, at **Our** discretion:

- (a) take full responsibility for conducting, defending or settling any claim in **Your** name,
- (b) take any action **We** consider necessary to enforce **Your** rights or **Our** rights under this insurance,
- (c) appoint any other person or persons to act on **Our** behalf for such purpose and any settlement agreed either before or after any payments are made.

Our Rights after a claim

Upon the happening or discovery of any occurrence **We** may enter and take possession of or require **You** to deliver to **Us** the **Property Insured** which **We** will deal with in a manner without incurring liability or reducing **Our** rights. **You** shall not be entitled to abandon any property to **Us**

Other Insurance

Sometimes what is covered under one insurance policy may also be covered under another insurance policy. For example, the cover or maybe some of the cover that is insured under this policy could also be insured under another policy that **You** have.

For claims made under Section J – Employers Liability and Section K – Public and Products Liability **We** will only pay the excess beyond the amount payable under **Your** other insurance policy.

Arbitration

If **We** accept liability but **You** disagree with the amount **We** offer to pay, the claim will be referred to an arbitrator who will be jointly appointed in accordance with statutory provisions. This avoids having to use the courts to settle the dispute. Going to arbitration does not affect **Your** statutory rights.

An award made by the arbitrator will be a **Condition Precedent** to a right of legal action against **Us**.

Subrogation

We shall be entitled to pursue and, if necessary, instigate legal proceedings in **Your** name for **Our** benefit any claim for indemnity or **Damage** or otherwise against a third party and shall have full discretion in the conduct of any such action and **You** shall give to **Us** all such information and assistance as **We** may reasonably require.

1. **IMPORTANT CONDITIONS**

If **Your** claim is covered under this insurance and no exclusions apply then it is vital that **You** comply with the conditions of this insurance in order for **Your** claim to proceed. The conditions applicable to this insurance are contained under the 'Conditions' section below and should be read carefully. Some of the main conditions to this insurance are that:

Claims Made

This is a "Claims Made" insurance contract which means it only covers claims notified to **Us** during the **Period of Insurance** and within 180 days, of any circumstance which may give rise to any claim. Failure to do so would lead **Us** to decline a claim for indemnity under this insurance.

Prospects of Success

There must be a 51% or greater chance of winning the case and achieving a positive outcome. A positive outcome includes, but is not limited to, recovering the amount of money at stake, enforcing a judgment or achieving an outcome which best serves **Your** interests. The assessment of **Your** claim and the prospects of its success will be carried out by an independent **Adviser**. If the **Adviser** determines that there is not a 51% or greater chance of success, then **We** may decline or discontinue support for **Your** case.

Proportional Costs

An estimate of the **Legal Costs and Expenses** to deal with **Your** claim must not be more than the amount of money in dispute. The estimate of the **Legal Costs and Expenses** will be provided with the assessment of **Your** case and will be carried out by the independent **Adviser**. If the estimate exceeds the amount in dispute then **We** may decline or discontinue support for **Your** case.

2. the advice of the **Legal Expenses Helpline** as to the procedure to be adopted and have received specific authorisation from the **Legal Expenses Helpline** in relation to employment matters.

- where the breach was deliberate or reckless, the **Insurer** may void this policy, refuse all claims and keep all premiums paid.
- where the breach was neither deliberate nor reckless and, but for the breach, the **Insurer** would not have agreed to provide cover under the policy on any terms, they may avoid this policy and refuse all claims, but they will return any premiums paid.
